

# Office Supply Exchange

On April 20, 2007, Georgia Tech's Earth Day hosted its 2<sup>nd</sup> Annual Office Supply Exchange!

Thanks to all of the departments that donated office supplies to our program. We saved the Georgia Tech community **\$7,421.52** by reusing what supplies that other people did not want or need anymore.

We collected over **600 items** for our Earth Day participants to shop through, including the following:

- 30 3-Ring Binders in assorted sizes
- 61 toner and printer cartridges
- 82 packs of paper
- 19 universal calculators
